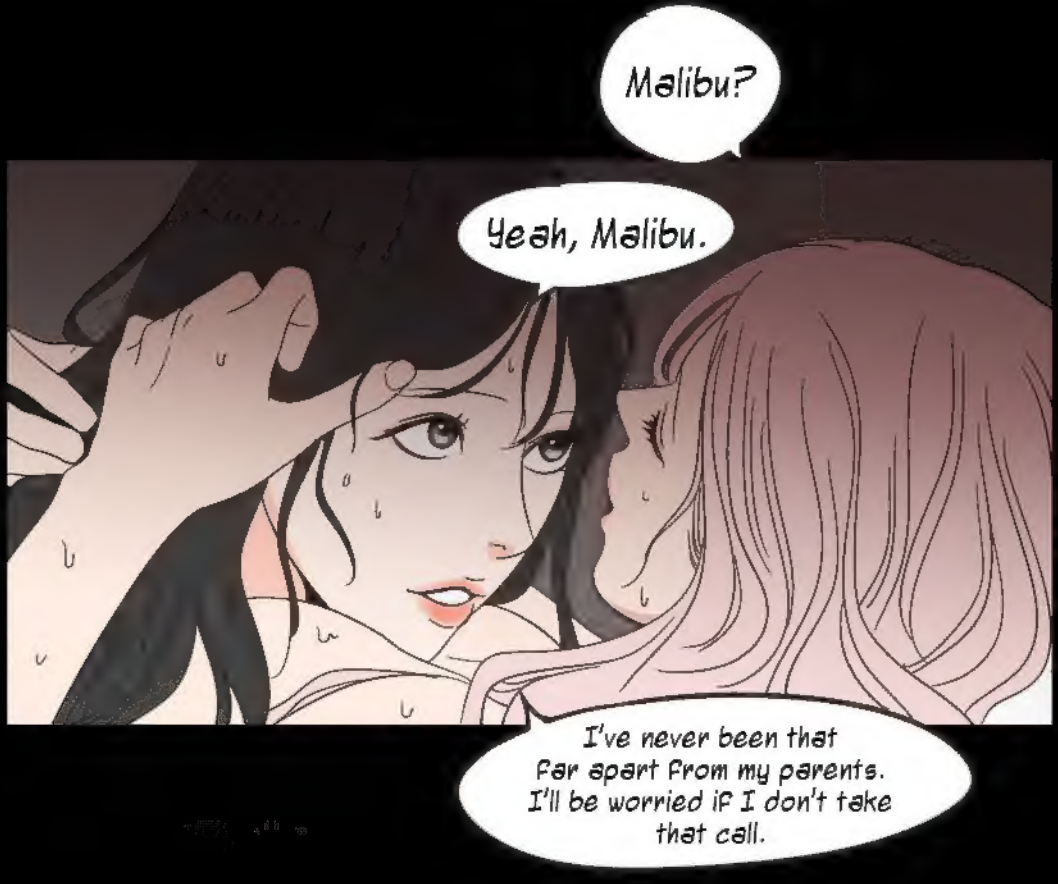
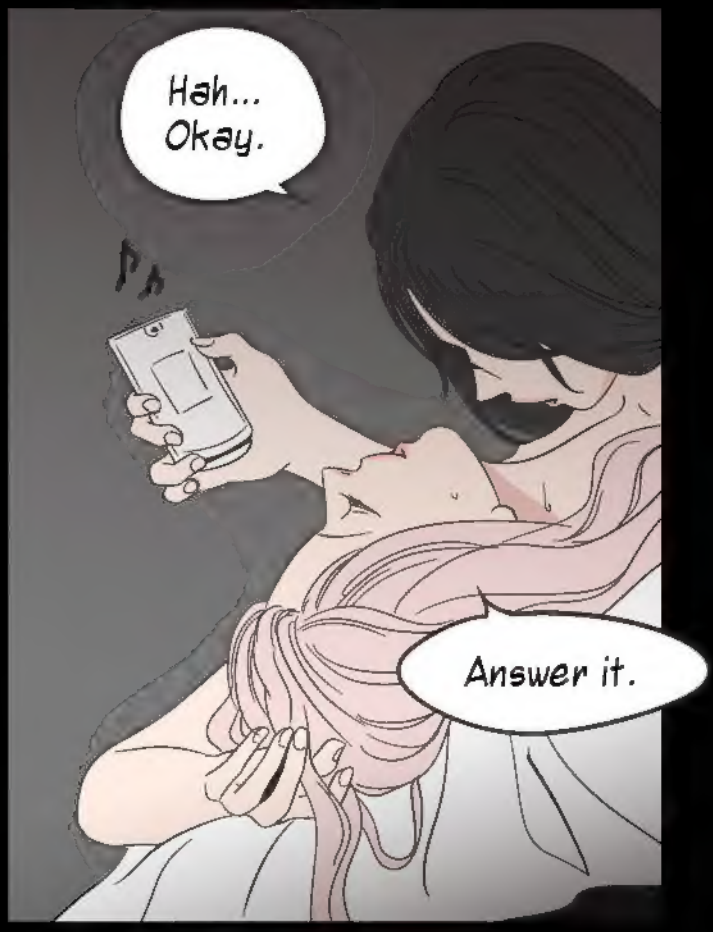
HAH
HAH
I have to~
Seems my parents already got there... At...



Malibu?
Yeah, Malibu.
I've never been that far apart from my parents. I'll be worried if I don't take that call.

I told them to have the time of their lives when they left.
You saw them off? That should have been someone else.
Thats what they told you.

Ah, let's just rest
For a bit.
Hah, it's itchy~
Sigh.



Hah...
Okay.
Answer it.

Hello?

KNOCK

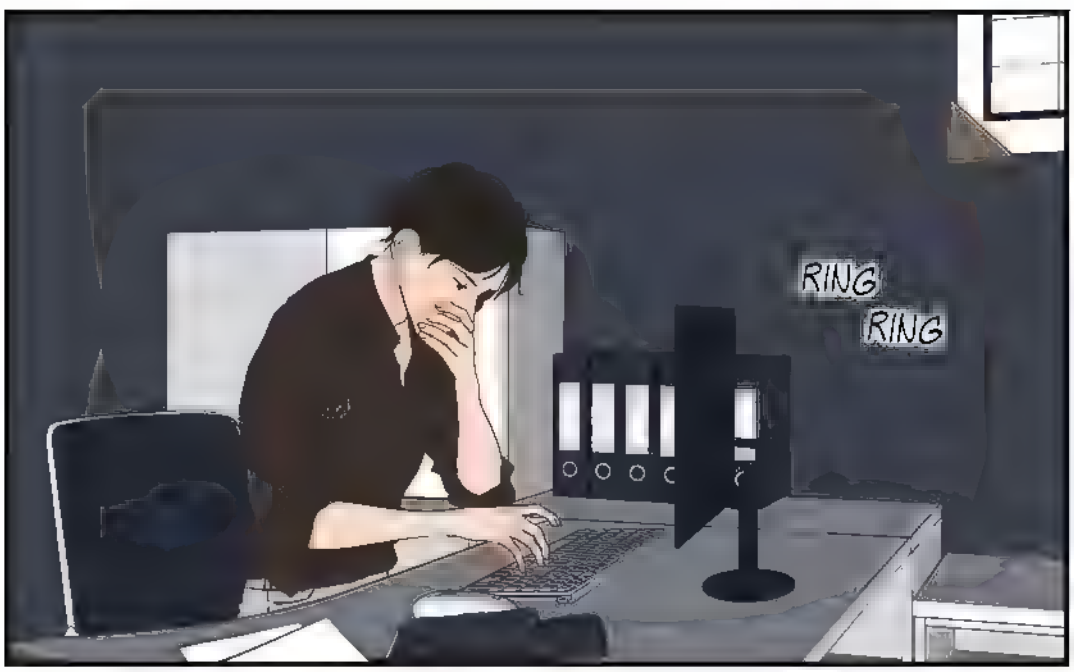
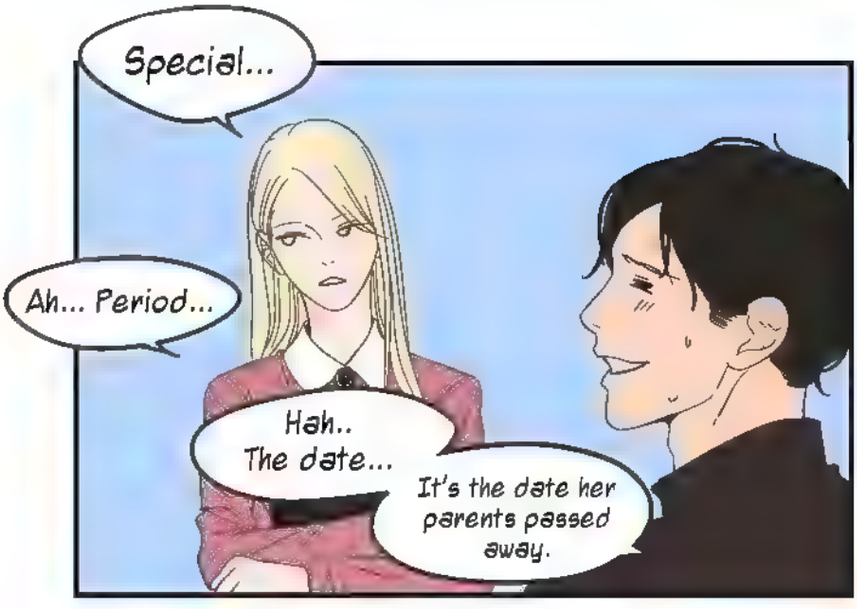
SILENCE



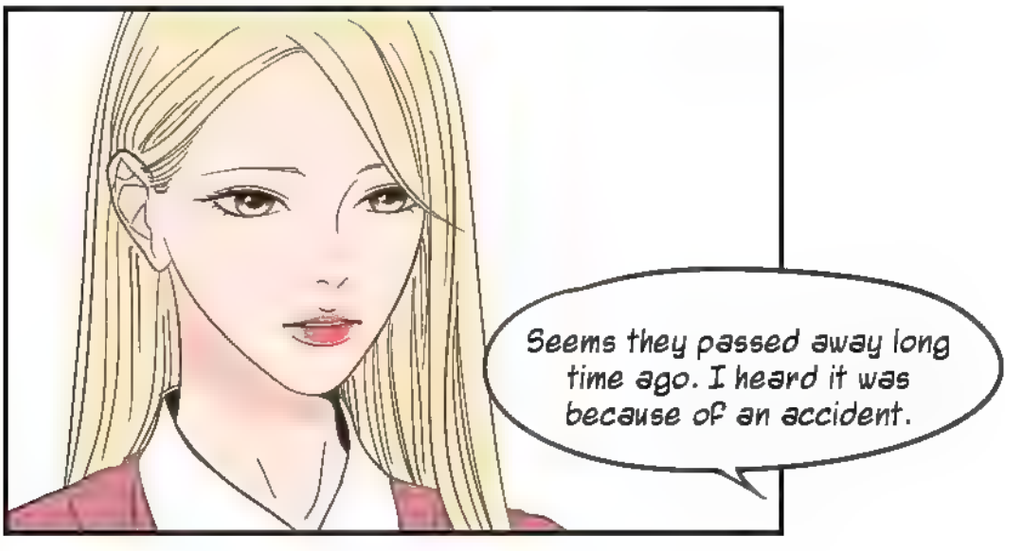
RING
RING

Assistant manager.

The manager didn't come to work today?
Ah, she called in today for a special leave.
You can give me the files and I'll look over it.

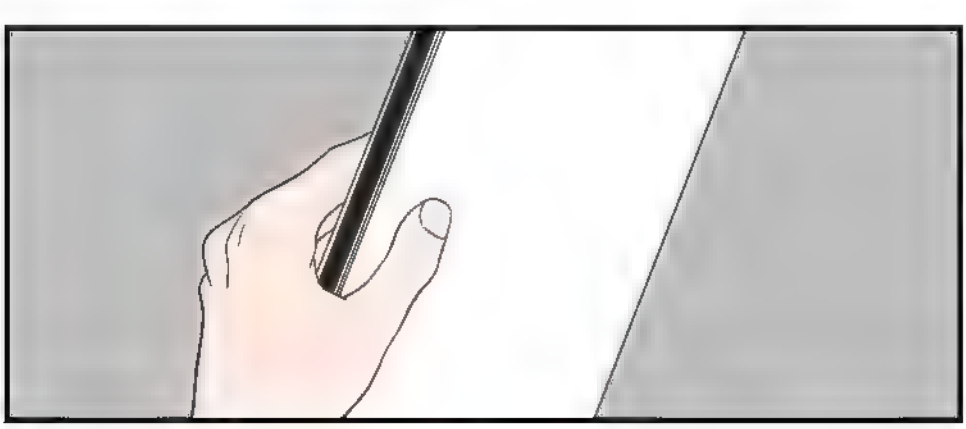


Special...
Ah... Period...
Hah.. The date...
It's the date her parents passed away.

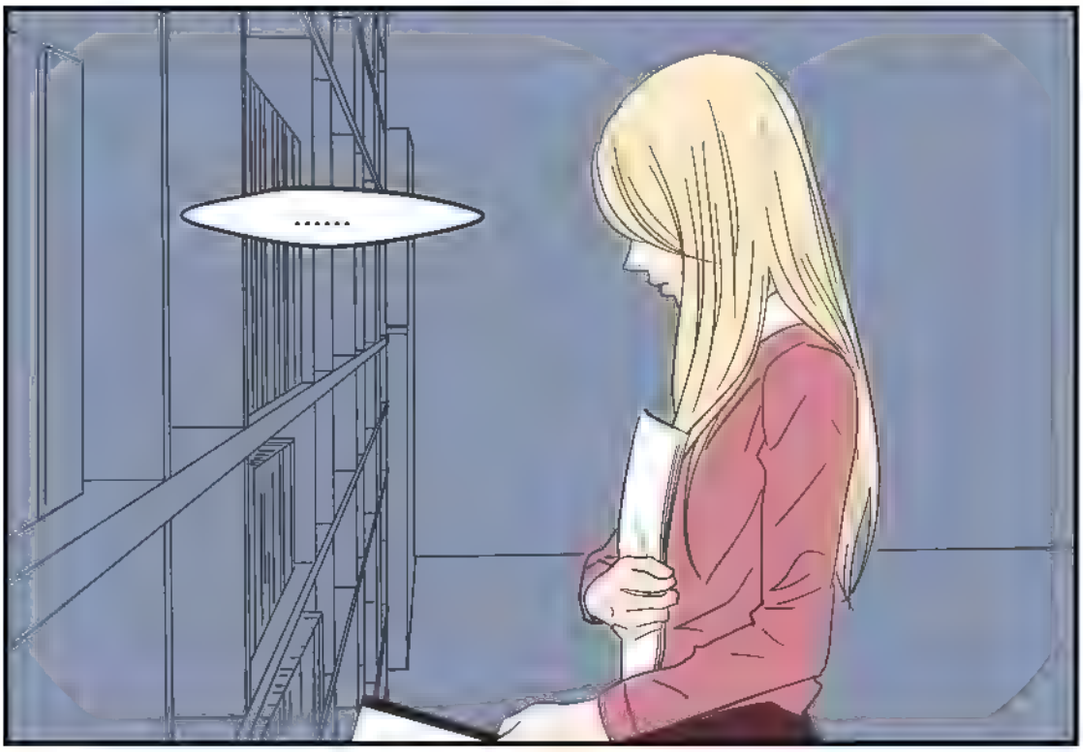


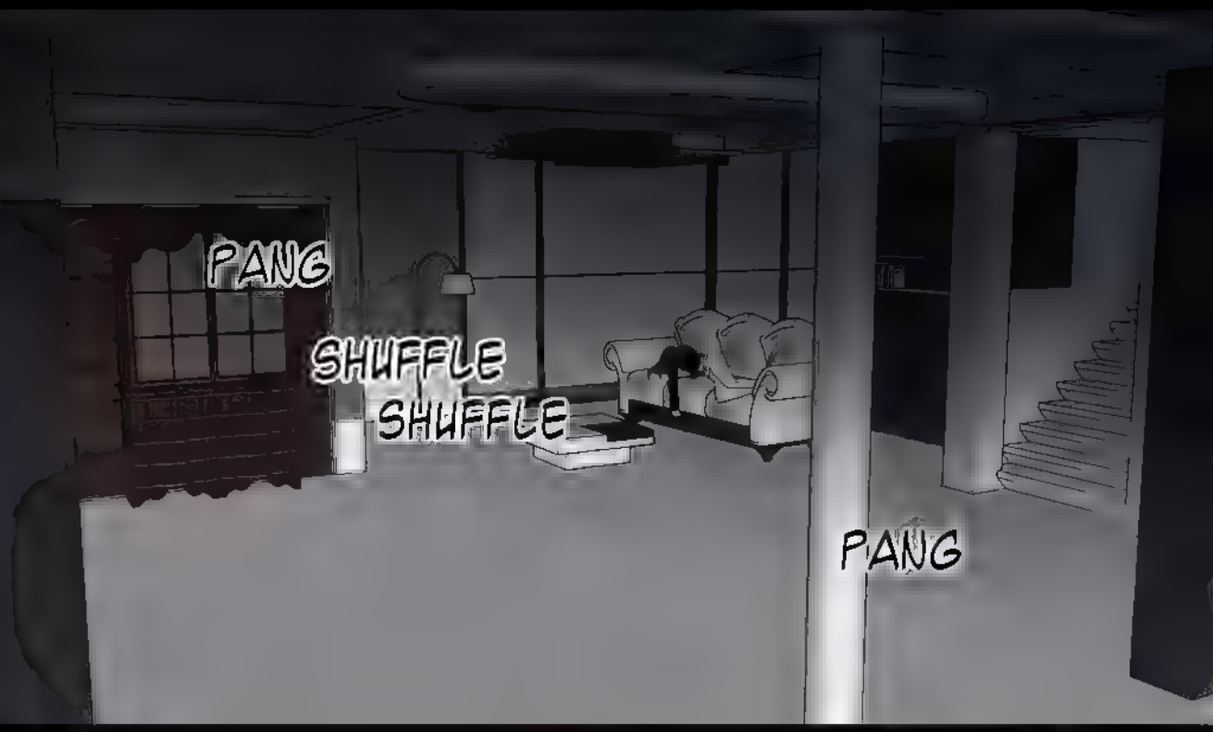
Seems they passed away long time ago. I heard it was because of an accident.

SEEMS LIKE YOU LIVE ALONE.



HOW DID YOU KNOW?





PANG
SHUFFLE
SHUFFLE
PANG

Sumin-ah.
Did you have dinner yet?
.....

You don't look so well. It's not good for you...

Don't touch me.
PAK
... It's been a month already.
It's been a month.
What about it?

You should stop moping already. You can't stay that way forever.

Why not prepare to go study overseas again?

You say we'll go to America?

I just brought my parents back from there and now we're going back again?

But it's already been planned.

It doesn't change anything even if you stay here.

Go there and start getting busy. It'll help you rejuvenate as well.

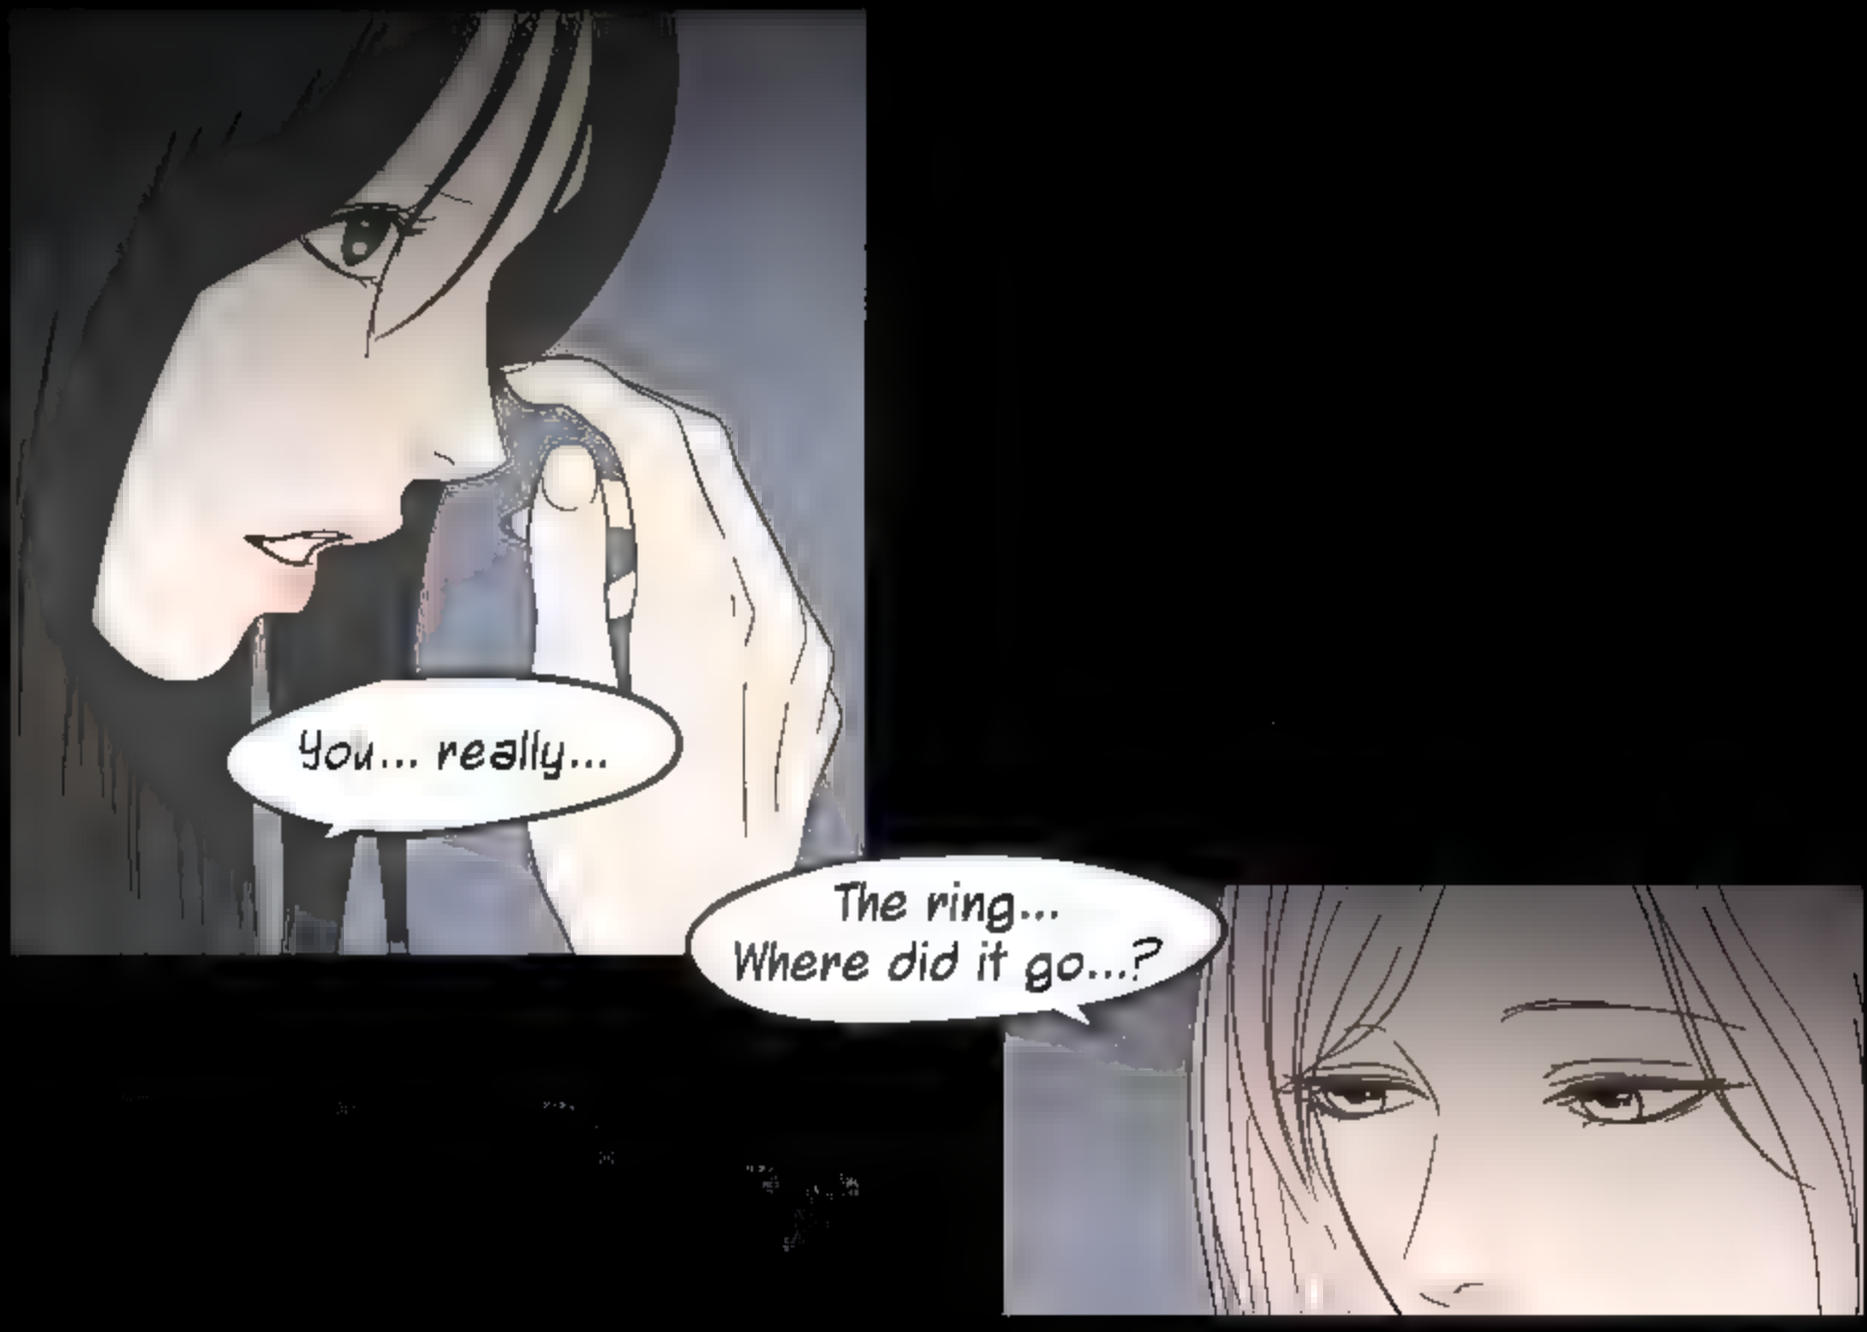
If you want to go so badly, why don't you go?

GRAB

What...?

I am staying here.
If you want to go, then you'll go alone.

Why are you being such a kid? You want your life to be over like this?
If I don't go study overseas, then my life is over?
But we talked about this and its not some spontaneous thing.
Looking at you using depression as an excuse and just giving up. Your will is just too weak.
How are you supposed to continue living like this?



You... really...
The ring...
Where did it go...?

I don't know.
I put it over there.
You lost it?

Do you really have to argue about this right now?

!

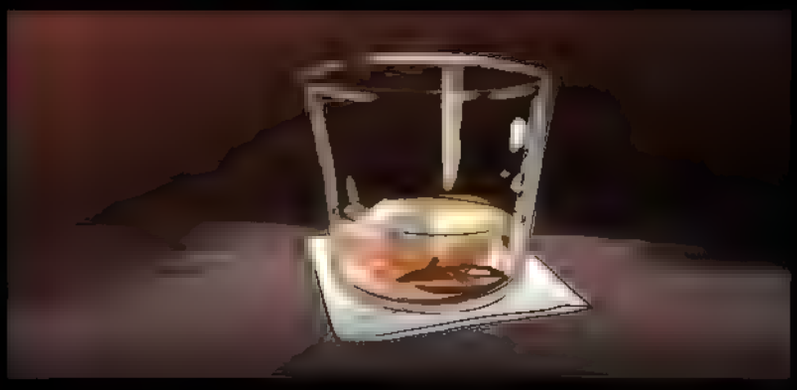
.....

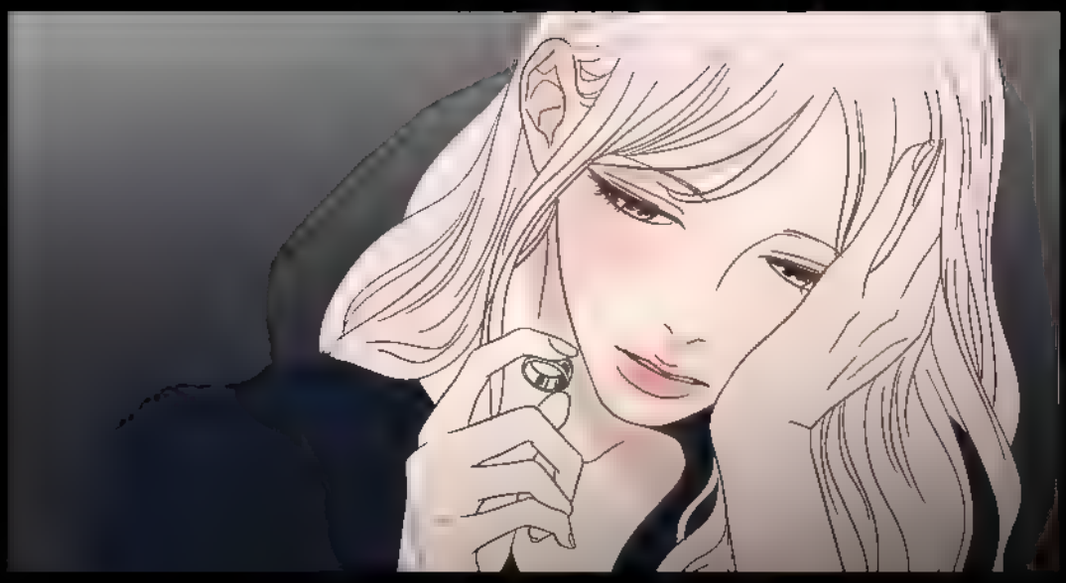
Fine.
Then lets talk about this later.

But you,

you don't think this is my fault do you?

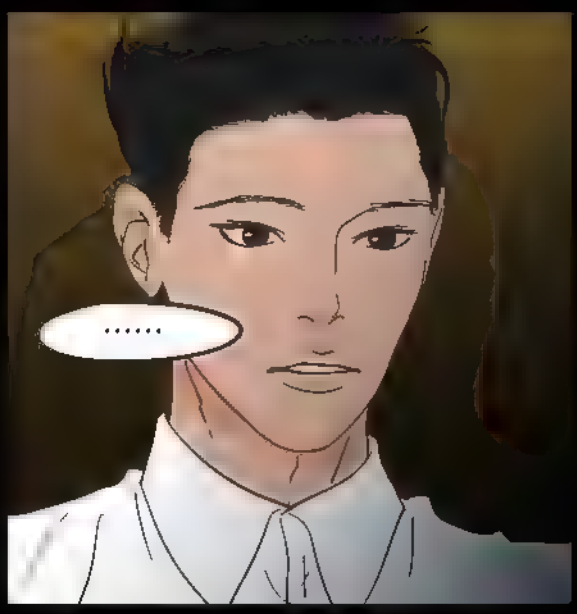
CLOSES





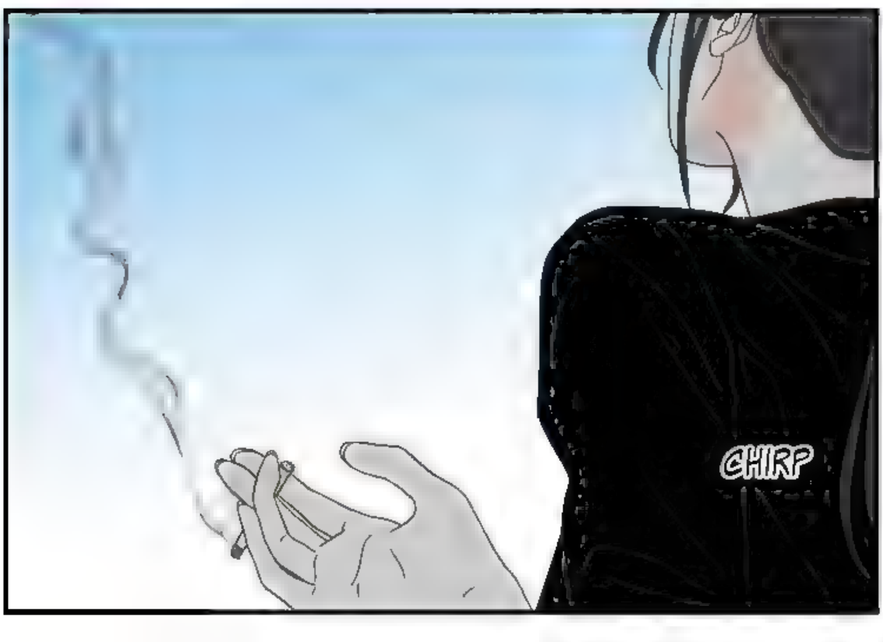
Looks like you argued with your lover.

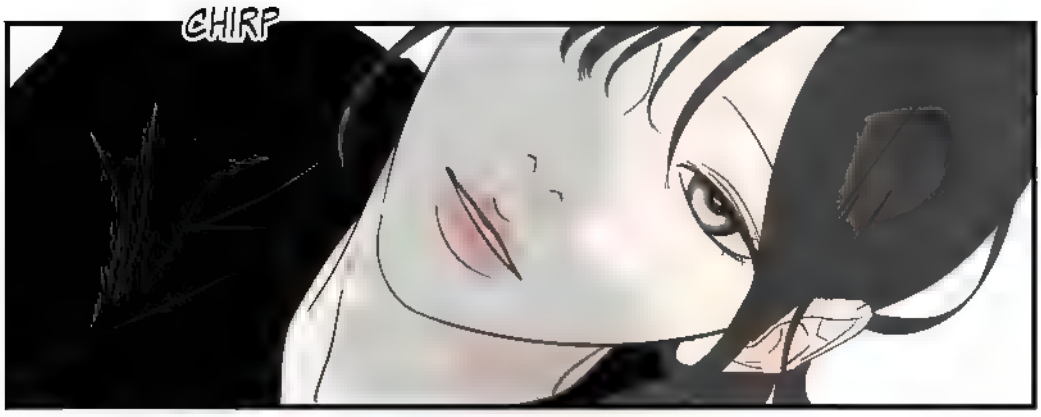
This is the whiskey you ordered. I am at your service.
I'm not interested in men.



.....

CHIRP





CHIRP CHIRP

... How did you know?

The assistant manager told me, but it was very vague.

And he blabbers around again.

The problem with him is that his mouth is too loose.

Are you home right now?

I'm at the funeral home.

... I didn't even prepare anything. I should've prepared some tributes.

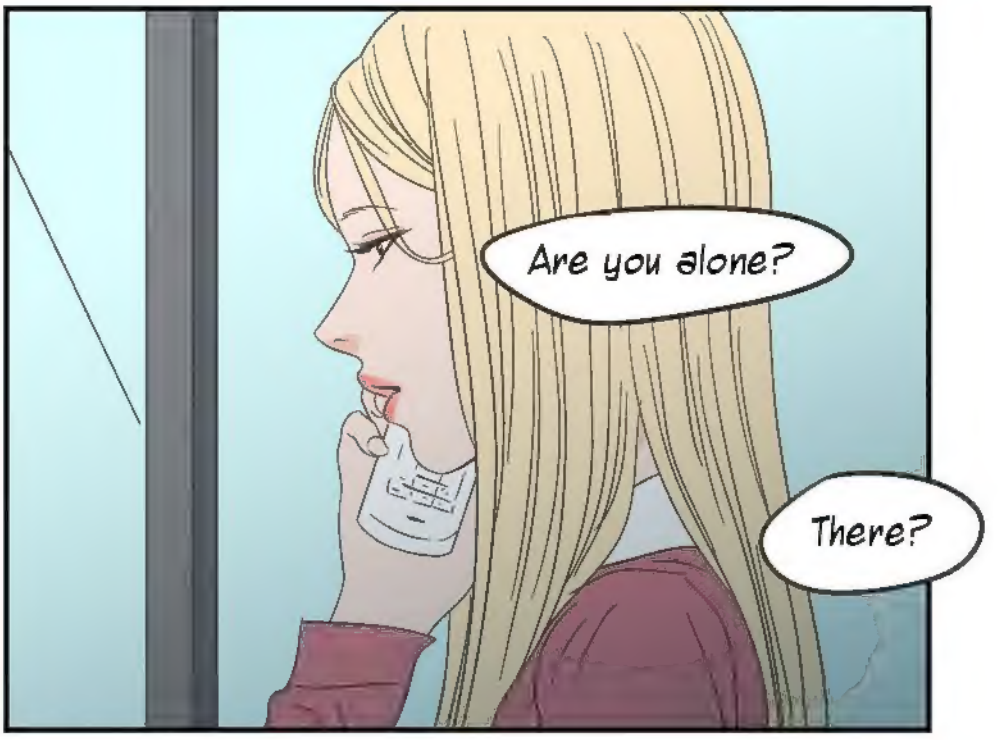
But you were too busy. You couldn't help it.
Even when it's not that far.
Where are you?

It's quite near. The national funeral home.
Ah.

So,
why did you call me?

Hm?
I said, why did you call me?

.....
Ju Sungji?



Are you alone?
There?
